

PROTECTION YOU CAN COUNT ON

CANCERSELECT® PLUS CANCER-ONLY INSURANCE

CancerSelect Plus, underwritten by Transamerica Life Insurance Company, can help provide extra protection in the event of a cancer diagnosis.

Nancy knows her family history may put her at a higher risk for a cancer diagnosis. When a coworker battled cancer and faced a financial strain due to his deductible, co-pays, and missed work, his situation hit close to home. She worries her medical insurance might not be enough.

GOOD MEDICAL INSURANCE HELPS, BUT IS IT ENOUGH?

While some people diagnosed with cancer have health insurance to help pay for some of their treatment, many face the prospect of significant out-of-pocket costs.

IF CANCER IS THE DISEASE YOU WORRY ABOUT MOST, YOU'RE NOT ALONE

If Nancy or one of her loved ones were to be diagnosed with cancer, how would she face that challenge? There's a way she can take simple steps now to help protect her and her family's Wealth + HealthSM.

With this supplemental benefit, she'll have more resources to cope with any future cancer diagnosis, and have wellness benefits to help her detect cancer early — when it's most treatable.

YOU CAN INSURE YOURSELF OR ADD YOUR ELIGIBLE SPOUSE AND CHILDREN

If you are 18 years of age or older, you can purchase this valuable supplemental benefit. You can also choose to insure your eligible family members, including your spouse, age 18 or older, and your children from birth through age 25.

VALUABLE BENEFITS FOR YOUR LIFE

Review the attached benefits and costs for the insurance policy. It's a long list of benefits, but they're all important. As you read through the list, think about how you could possibly pay for all these costs on your own. Fighting cancer can be challenging both financially and emotionally, and the more resources you have, the better prepared you and your family will be.

HOW IT WORKS

- Pays benefits directly to you
- Spouse and dependent benefits available
- Payroll-deducted premiums
- Easy enrollment process

Limitations and Exclusions

We provide benefits only for cancer as defined herein, which is positively diagnosed while insurance is in force. It does not provide benefits for any other illness or disease.

- We may reduce or deny a claim or void insurance for loss incurred by an insured person:
 - During the first 2 years from the effective date of such insurance for any misstatements in the application which would have materially affected our acceptance of the risk;
 - At any time for fraudulent misstatements in the application.
- We will only pay for loss as a direct result of cancer. Proof of positive diagnosis must be submitted to us for each new claim. We will not pay for any other disease or incapacity that has been caused, complicated, worsened or affected by, or as a result of cancer, except as specifically covered under the contract.
- If a covered hospital confinement is due to more than one covered condition, benefits will be payable as though the confinement or expense were due to one condition. If a hospital confinement or expense is also due to a disease or condition that is not covered, benefits will be payable only for the part of the hospital confinement or expense due to the covered disease or condition.
- Under no condition will we pay any benefits for losses or medical expenses incurred prior to the effective date.

Pre-Existing Condition Limitation - No benefits are provided during the first 12 months for pre-existing conditions for which the insured person has been diagnosed, treated, or for which the insured person has incurred expense or has taken medication within 12 months prior to the effective date of such person's policy. Pre-existing condition also includes a condition that manifests itself in a way that would cause an ordinarily prudent person to seek medical advice, diagnosis, care or treatment.

Total Disability means the inability to perform all of the material and substantial duties of the employee's regular occupation. Total Disability will be considered to exist when under the regular care and attendance of a physician for the necessary treatment of cancer. After the first two years of Total Disability, the employee will continue to be considered Totally Disabled if unable to engage in any employment or occupation for which he or she is or becomes qualified by reason of education, training, or experience. On or after age 65, Total Disability will mean that a physician has certified that the employee is unable to perform two or more Activities of Daily Living (continence, transferring, dressing, toileting, eating and bathing) without direct personal assistance as a result of cancer.

12-Month Benefit Period - The initial 12-Month Benefit Period is the 12-month period beginning on the date of positive diagnosis. Subsequent 12-Month Benefit Periods begin on the same month and day as the immediately preceding 12-Month Benefit Period; however, if the insured person incurs no covered loss during the 3 months after the end of any 12-Month Benefit Period, the next 12-Month Benefit Period will begin on the next date a covered loss is incurred. Benefit Periods are determined separately for each insured person.

First Occurrence Rider

Benefits are not payable:

- For cancer diagnosed prior to the Effective Date of this Rider;
- For any other illness or disease other than internal Cancer;
- For Skin Cancer or any Cancer excluded from insurance by name or specific description.

- Any act of war either declared or undeclared;
- Alcoholism or drug addiction;

GROUP BENEFITS DISCLOSURE POLICY

Transamerica Employee Benefits (TEB) is a unit of Transamerica Life Insurance Company and Transamerica Financial Life Insurance Company. TEB markets and administers voluntary insurance benefits through licensed insurance agents. These agents are typically appointed to sell our products, and products of other providers, and receive various forms of compensation from us for the services provided. We believe our compensation arrangements with our agents are conducted with honesty, fairness and integrity. In addition, we realize that having trusted relationships between our agents and our customers is essential to all involved. To ensure this trust continues and to address any concerns within the industry, we have outlined our policy on agent compensation disclosure.

TEB's policy supports transparency and full disclosure of agent compensation to our customers and prospective customers. In addition, we have put controls in place to facilitate this disclosure and obligate our agents to disclose compensation information to customers: 1) when asked by a customer; 2) when receiving both a fee from the customer and compensation from TEB; and 3) when otherwise required by law. Agents must comply with all applicable laws in the sale of TEB products, including any pertaining to the disclosure of compensation information.

TEB's Group Benefits Compensation Disclosure Notice (below) describes the various means by which agents may be compensated for the sale of our products. It is the responsibility of your agent to share specific information with you about his or her compensation arrangements with TEB. Accordingly, please direct any compensation disclosure questions directly to your agent.

COMPENSATION DISCLOSURE NOTICE TO ALL POLICYHOLDERS

Agents who sell and service our products are paid a commission. It varies by the type of insurance policy sold and the state where the policy was sold, and is based on a percentage of the premium received in the first year, and at policy renewal. Agents may receive advances or loans against anticipated commissions for cases sold or to be sold. These advances may or may not require the payment of interest, depending upon the agent's total business and historical experience with TEB.

Agents may receive other compensation from TEB in the form of cash or non-cash awards or prizes, based upon a variety of factors that may include the level of premium written or earned, persistency and growth of premium, or other performance measures. Agents who manage, supervise or recruit other agents or wholesale our products and services to other agents, may receive commission overrides on business that results from their efforts.

Some of our agents may receive additional payments for providing services in connection with the administration of our products. Fees for such services may be calculated on a per policy or per certificate basis or upon the premium volume associated with a specific case. TEB may additionally reimburse these agents/administrators for certain expenses, such as the cost of mailings.

Agents may occasionally obtain exclusive rights to market TEB products or services to agents, employers, employees, or members of associations or unions. Certain groups or associations may also agree to endorse TEB's products to their members. TEB may pay a fee for these exclusive marketing rights or endorsements. See your proposed policy documents or policy certificate package for more information on any such arrangements.
