First Stop Health

How dependents can claim their account.

You and your family members have virtual care! Once a dependent has access to First Stop Health, it's easy to get their account set up.

Just added your dependent?

Dependents who were just added to a primary account can expect an email from stage_csr@fshealth.com with a link to activate their account.

Find your activation link.

Check your inbox for an email from info@firststophealth.com. Click the 'Claim Account' button to use your unique link to activate your account.
