

Thanks for Being Part of the VSP Family!

By enrolling in VSP®, it's clear that eye health is important to you. That's great because we love eyes, and we want to help you get the most from your vision coverage.

Here's a quick overview of the most important info and tips you'll need to know to get started.

View your benefits.

You get the most out of your benefits when you log in. Go to **vsp.com** and click **Create an Account** to get started. Once you've set up your VSP member account, you can easily view your benefits, including any copays and coverage for things like glasses, contact lenses, and LASIK.

Find an in-network doctor.

It's easy to find an in-network doctor near you by visiting **vsp.com** and selecting **Find a Doctor**.

With VSP®, you don't have to compromise when selecting a vision care provider. You can choose between a huge network of independent private practice doctors, popular retailers, and even an online option.

More options mean it's easy for you to find your perfect fit with VSP.

Schedule your eye exam.

An annual eye exam is an important window into your overall health, which makes it a must-have in your wellness routine. Even if you have 20/20 vision, it's essential to see your eye doctor every year to check your eye health.

Save on eyewear and so much more.

As a member, you have access to Exclusive Member Extras, totaling more than \$3,000 in savings. You'll also save on contacts, glasses, and sunglasses when you use your benefits on **eyeconic.com**—the VSP preferred online retailer.
