

How to use your health screening benefit.

What is a health screening benefit?

A health screening benefit is a cash benefit you can use to pay for a health screening for preventative care.

A health screening is a routine test done to find a problem or condition before signs show up. Screenings can help you maintain your health and prevent serious illness.

This benefit is available to you through **Chapel Hill ISD** since you have the following coverage:

- Accident insurance, which we call Accidental Injury Benefits
- Critical Illness Insurance, which we call Critical Illness Benefits

Things to know

- Each person covered under your Supplemental Health¹ plan is eligible for their own health screening benefit once they file a claim.²
- If you've enrolled in more than one coverage that has a health screening benefit, you can use the health screening benefit for each coverage that has one.
