Accident Insurance

Policy Series A35000

Aflac's Accident Indemnity Advantage is a highly competitive product, providing benefits that consumers need and that Aflac can make available. It will help with expenses where major medical falls short, with a brand customers know and want, and the coverage they need.

Accidents happen to all kinds of people every day. In 2005, over 30 million people sought medical attention for an injury and almost three million of these were hospitalized.*

Aflac's Accident Indemnity Advantage (AIA) offers several plan options:

- Essentials Plan (AIA or *Off-the-Job Accident-Only Indemnity Advantage*)
- Plan 1 (AIA or *Off-the-Job Accident-Only Indemnity Advantage*)
- Plan 2 (AIA or *Off-the-Job Accident-Only Indemnity Advantage*)

The only difference between AIA and *Off-the-Job Accident-Only Indemnity Advantage* is that AIA provides 24-hour accident-only coverage, and *Off-the-Job Accident-Only Indemnity Advantage* provides accident coverage for accidents that occur while off the job only.

Aflac Accident Indemnity Advantage is designed to provide you with cash benefits throughout the different stages of care, regardless of the severity of the injury. Policy benefits include the following:

- Accident Emergency Treatment
- Accident Follow-Up Treatment
- Accident Hospital Confinement
- Plus ... much more
- Wellness
- Initial Accident Hospitalization
- Accident Specific-Sum Injuries

COMMON POLICY FEATURES:

- Guaranteed-renewable for life
- Portable, with no change in coverage or cost after one month's payment on payroll deduction
- Benefits paid regardless of any other insurance you may have
- Claims paid directly to the insured, unless assigned

Please refer to your state-specific product materials for details on the plans in your state. Benefits are determined by state and plan level selected.
